EMOTIONAL WELLNESS TRAINING FROM DR. KEVIN GILMARTIN

Dr. Kevin Gilmartin's landmark text, *Emotional Survival for Law Enforcement*, started a revolution in the way law enforcement agencies regard officer mental health. More than 2 decades later, his practical, empathetic approach continues to resonate with officers around the world. Now, you can make Dr. Gilmartin's wellness content available to your officers anytime with the Emotional Survival for Law Enforcement series of online courses, offered exclusively through PoliceOne Academy. With the Emotional Survival for Law Enforcement series, officers will learn:

- How to cope with being on high alert and develop strategies to transition off-duty
- Preventive strategies to counteract the physiological and emotional impacts of law enforcement work
- How family members can help officers maintain balanced, healthy lifestyles

ALSO FEATURING MICROLEARNING OPPORTUNITIES

Leverage technology to make roll call and other short windows of training time more effective for your department. PoliceOne Academy includes a vast short video library perfect for microlearning. And with our full-service learning management system, you can make daily briefings count by tracking training completed as a group with just a few clicks and combining videos into training blocks to create courses approved for continuing education credits.

- Use your 5-15 minute windows available during roll call to communicate key concepts
- Break up learning into shorter “bursts” to drive officer engagement and retention

- Smaller segments are ideal for adult learners who may have short attention spans

Microlearning topics include:

- Reality Training
- Police Leadership
- Today's Tips
- Investigative Skills
- Defensive Tactics
- Active Shooter
- Officer Survival
- Supreme Court Cases
